## Local Baptists In Full Program To Meet Church Needs

The Canal Point Baptist Church in Conference Sunday elected J. S. Atkins as Teacher of the Men's Bible Class and Alton Jones as Associate Teacher. The other Officers and Leaders were elected several weeks ago.

The Men's Bible Class chose as a project the purchasing and installing five wall fans for use in the Church auditorium. These fans have been purchased and installed. They will be used for the first time Sunday.

The Religious Census of the community has almost been completed. The information will soon be charted and classified. The census revealed among other things that the enrollment in Sunday School could be greatly increased if there were rooms provided for the various age groups in sufficient number to afford comfort and efficiency for Bible Teaching.

The Church Planning Committee is busy studying the needs to be met in an additional building for Sunday School uses. The Committee is trying to take time enough to be thorough, and yet losing no time in mapping out the Church needs. After this Committee makes its recommendation to the Church, the Church will name a Building Committee and the other Committee.

## Dale Stacy Named Yearbook Editor

Dale Stacy has been elected editor-in-chief of the 1958 edition of Devil's Trail, the Pahokee High School yearbook published each spring under the sponsorship of the Senior Class.

Other Seniors chosen as members of the annual's staff are Susan Johnson, assistant editor-in-chief; Anita Cowart, business manager; Sarah Norris, Senior editor; Gwen Bracewell, Rusty Hall, Glen Levins and Virginia Culbertson, advertising sales staff; Judy Murphy bookkeeper; Frances Campbell, circulation manager; Gayle Johnson and Eugene Greaves, circulation staff; Ann Rita Burns, supervising editor; Wayne Uwin and Bobby Mobley, sports editor; Robbie Walker and Alyce Joyce Spencer, snapshots editor; Martha Gail Ammons, organizations editor; Kenneth Williamson and Sam McKinstry, Jr., art editors; Helen Sheppard, class historian; Faith Sasser, class prophecy; Evelyn Andrews, class lawyer; Sarah Norris and Faith Sasser, typists.

Don Spivey, Spanish and Senior English instructor, is serving as faculty advisor for the staff.

### NEW CUBMASTER

Perry Duke has been appointed new cubmaster of Pahokee Cub Scout Pack 23. He will be assisted in his duties by Mike Sanders who served as cubmaster last year. Edward Fountain has been appointed den chief of Den One.

Miss Lulu Barfield had as a guest this week her sister, Mrs. J. E. Roberts of West Palm Beach.

## Lions District Gov. Visits Pahokee

W. L. Edwards, Jr., of Miami Beach, Lions district governor of District 35-S, was an official visitor at the Tuesday luncheon meeting of the Pahokee Lions Club. In his address to the club the district governor emphasized the importance of Lionism as a world organization. He was introduced by Osceola Upthegrove of Canal Point, a district deputy governor, who was also a guest at the luncheon.

Activities of the local club were reported to the district governor at the business meeting following the address with President J. H. Wilkinson, Jr. presiding.

Richard Weeks, Pahokee High School Senior, was the guest of Student Member Robbie Walker.

## Vegetable Meeting Starts Wednesday

An impressive array of national agricultural authorities, including government officials and industry leaders, will develop the theme "Press Through Research" at the 44th Annual Convention of the Fruit and Vegetable Association in Miami Beach next Wednesday, October 9.

Dr. B. L. Mattson, President of the Association will open the meeting at 2:00 p. m. with the official luncheon, after which Florida Supreme Court Justice Campbell Thorne will give the Invocation. Dade County Commissioner Charles F. Hall will extend the welcome to Miami Beach.

General Convention Chairman, Roy Vandegriff, Jr., of Pahokee, will introduce Dr. J. Wayne Reitz, Gainesville, President of the University of Florida, who will make the presentation of FFVA's Annual Research Awards.

Honorable Spessard L. Holland, Bartow, Senior Senator for Florida, will then introduce Dr. Earl L. Butz, Dean of Agriculture, Purdue University, Lafayette, Indiana, who will make the keynote address. Dr. Butz, former Assistant Secretary of Agriculture, will develop the Convention theme with his address of "Research—Doorway to the Future."

Tom Beasley, DeFuniak Springs, (continued on page 8)

## William J. Evans Belle Glade Mayor

William J. Evans, Belle Glade harvest contractor, was selected as mayor of Belle Glade at the organization meeting following the recent election in which three commissioners were elected. Z. T. Ingram, Paul Davidson and R. W. Lanier, were sworn in by City Attorney Claude Jones. Evans succeeds Ingram as mayor. Ingram was named vice-mayor.

Other reappointments were N. D. Lloyd as municipal judge; R. E. Mathews as judge ad litem; Claude Jones as city attorney. A resolution was adopted naming City Manager Clarence E. Robinson as treasurer, with Robinson and the mayor named to sign official checks of the city.

Outgoing Commissioners were J. H. Livingston, Jr., and J. Marvin Uwin.

## Look Out Wyoming Glades Hunters On Way For Bear, Elk

Three prominent Glades growers, one banker and an attorney left Pahokee Thursday morning on a 2800 mile motor trek to Wyoming for a big game hunting trip. They will be joined by a doctor and insurance man upon their arrival there as the latter couple will leave by air Saturday afternoon for the same hunting spot.

Attorney Thadde Whidden, Banker Rupert Mock, Growers Rosell Wilson, Billy Rogers and Lewis Friend will make the trip by car and Joe Tom Boynton and Dr. E. J. Graham will fly out Saturday.

The group plans to hunt deer and elk, bear and many other species of wild game in the wilds of Wyoming. When the five left by car (Lewis Friend's Cadillac) Thursday the car in which they were traveling looked a whole lot like a portion of a gypsy caravan. The car was loaded completely inside and a baggage carrier on top was stuffed to the hilt with bedding, winter wear and various and sundry other articles needed on such a hunting trip.

The schedule calls for five driving days on the way out—one week in their hunting efforts—and another five days for the return trip. However, our travel editor believes that the return trip will take a trifle more than five days—what with a group of worn out hunters having to do the return driving.

## Clewiston Quits Pahokee Schedule They Got The \$200

The Pahokee-Clewiston Suncoast Conference game, called off last week because of the flu epidemic at Clewiston High School, has been cancelled and the \$200 guarantee to the visiting team has been sent by Pahokee High School to Clewiston High School, according to Brooks Henderson, PHS principal. Pahokee Coach Web Pell and Principal Henderson were in hopes the game could be rescheduled for a later date but Principal O. K. Phillips and Coach Carl Ferrara of Clewiston have to date refused to consider negotiations for a post-season game with Pahokee to make up the one called off.

"The cancellation of this game, the top drawing card on the Pahokee schedule, will be a severe loss to the athletics fund of the Pahokee School as its proceeds would have helped appreciably in the support of the school's entire sports program," Henderson said. "Monetary loss, however, cannot be considered when the health of students is at stake," he added.

### GIRL SCOUT WORK

The Pahokee Girl Scout Troop made up of seventh grade girls met at the First Methodist Church with their leader, Mrs. Josephine Phillips, for the second meeting of the season. At the present time this group is concentrating on work for cycling badges.

## Hospital Worth Is Told To Lions

Luke W. Dufrense, administrator of the Everglades Memorial Hospital, was guest speaker at the weekly dinner meeting of the Canal Point Lions Club. Introduced by A. R. Harrington, program chairman, the speaker told of the many advantages a small hospital offers a community.

At the business session President J. W. Repper appointed committees to have charge of the old-fashioned box social which the club plans to sponsor in the Community Building the evening of Oct. 21. Osceola Upthegrove and Stanley Hooks were named to have charge of the box arrangements; M. M. Martin, Jr., and J. G. Weeks, entertainment, and O. H. Sheppard and H. E. Sears, publicity.

## Food Service Study For County Group

The Palm Beach County Food Service Association held its first meeting of the school year at the Highland School lunch room in West Palm Beach, Sept. 21, with Mrs. Caroline Browning, president, presiding.

During the business meeting Mrs. Oliver Hatfield of Canal Point and Mrs. Fred Halling of West Palm Beach were elected delegates to represent the County at the National School Food Service Association Convention in St. Louis, Mo., Nov. 11-14. Mrs. Eunice Long of West Palm Beach was elected alternate delegate.

Following the business session of the County group, a Regional meeting was conducted, with Mrs. Ruth McTaggart, region president, presiding. This group included lunch room personnel from Indian River, Okeechobee, St. Lucie, Martin, Palm Beach, Glades and Hendry Counties.

The invocation was given by Mrs. Dorothy Stanley of Pahokee and the welcome address, by Miss Ola M. Suggs, principal of the Highland School.

Guest speakers were Miss Sarah Howard, state president of the association who spoke from the state level. Miss Catherine Sims, treasurer.

## Location Bought For Junk Yard

The T. W. Knight real estate agency in Pahokee announces the completion of sale of 15.5 acres of land, formerly the rock-pit property owned by Handley Construction Company, near the East Shore Drainage District pump on the new Pahokee-Belle Glade highway.

The sellers are Mr. and Mrs. Walter L. Hobbs, of Ft. Lauderdale, and the buyers are Mr. and Mrs. Robert L. Mobley. Mr. Mobley operates an automobile junk yard north of Canal Point and plans to move it to the new location.

### FLU HALTS GAME

The Pahokee-Belle Glade Junior High football game, scheduled to have been played at Belle Glade Tuesday night, was postponed because a large number of Belle Glade Juniors were ill with the flu.

## First Home Game On Lair Field With Ft. Pierce Tonite

The Pahokee Blue Devils, still weakened by the flu which prevented them from playing the Suncoast game scheduled with Clewiston last week, will be hosts to the Dan McCarty High Eagles of Fort Pierce on Lair Field tonight (Friday) in the first home game of the season.

Coach Web Pell, after being encouraged by the return of Fullback Richard Weeks to the regular lineup this week, received another setback in his efforts to rebuild the Blue Devil team when Eugene Crews, first string guard, was injured in practice, suffering an arm fracture that will keep him on the bench for an indefinite period. Douglas Blanton is being groomed for Crew's position at right guard. Another first string guard, Donald Thompson, is down with the flu and is being replaced by Rusty Hall.

Most of the Pahokee players ill with the flu last week are back in the lineup but they are far from being in top condition, according to Pell, who, nevertheless, expects the Blue Devils to make a good showing even if the Eagles prove more than a match for them. The Blue Devils, paced by Halfback Wayne Uwin and Quarterback Richard Shackford, generated surprising strength for a totally un-

## Water Usage High Flood Control Area

WEST PALM BEACH—Nearly two billion gallons of water are used every day for beneficial purposes in the 17 counties of the Central and Southern Florida Flood Control District.

According to a tabulation prepared by the Florida Water Resources Study Commission, the chief beneficial uses of water are municipal, agricultural, industrial and recreational.

Brevard, Hendry and Indian River Counties use two million gallons of water for municipal purposes, on the average, each day. Volusia uses 10 million, Polk 17 and Orange 18. Dade county ranks first in municipal water use in the Flood Control District with 85 million gallons per day, while Broward uses 32, and Palm Beach 27.

Palm Beach county uses an average of 300 million gallons of water for agricultural pursuits on the average each day, where as, the second ranking county, Orange uses 86 and St. Lucie, the third in rank, uses 77.

Polk county uses about 233 million gallons of water on the average per day for industry, while the next heaviest user for this purpose is Broward, followed closely by Dade and Volusia counties.

Recreational use of water can be judged from Florida Game and Fresh Water Fish Commission reports for all Florida which indicate that while 333,000 fresh water fish licenses were sold in a recent year, it is estimated that 500,000 will be (continued on page 8)

## Cinematic Chatter

By Malcolm Millar

Hello everybody! Maureen O'Sullivan is one of the few Hollywood actresses who never seeks movie or television roles; Instead they seek her out. Ever since the actress went into voluntary retirement, some years back, in order to devote her time to being a wife and mother, she has been sought-after by Hollywood producers. At first Maureen turned all offers down. Now, however, with her children growing up, Maureen is devoting more and more time to her acting career. A true Irish colleen, Maureen was born in Roscommon, Ireland, and was educated and grew up in Dublin. She was seventeen when she came to work in "Song of My Heart," starring the late Irish tenor John McCormick. Maureen played a variety of roles in a great many films, but she remains indelibly identified in audience minds as Jane in the famous Tarzan series. See you at the movies—Mal.

## Shellfish Sales Are Controlled

This article is called to the attention of all Shellfish producers and operators in the State of Florida offering Shucked Shellfish for sale.

Effective September 1, 1957, all retail establishments shall be required to dispense packaged products only. The practice of dipping oysters from one container to another, or taking oysters from a large contained and repacking them in smaller containers, is not permissible. All food warehouse operators, food grocery stores, markets and similar establishments are effected by this memorandum. The only exception to this restriction is in the case of institutions and food service establishments that may continue to purchase oysters in gallon quantities provided they are consumed on the premises.

Florida's certified processors are now in a position to make available to wholesalers and retail establishments, oysters packed in half-pint and pint containers, thereby eliminating additional handling necessitated by the practice of dipping and repacking oysters. Persons and organizations engaged in the public sale of shucked oysters are urged to obtain their supply from the plants in which oysters are processed and packed originally.

There are inherent public health and sanitation factors connected with the dipping and repacking of oysters, and a significant number are attempting these practices with insanitary procedures and inadequate facilities. Shellfish are a very perishable product and are highly susceptible to pathogenic bacteria growth. For this reason the state discourages handling of these products in bulk containers. This way the addition of water to oysters can be eliminated.

This new ruling is already in effect and will be followed up with individual inspections.

## Harlow - Lockmiller

Mrs. Juanita Weeks Harlow of Canal Point and Harold William Lockmiller of Winlock, Wash. were married at the home of the bride's parents, Mr. and Mrs. J. G. Weeks, at Canal Point Monday, Sept. 30, at 8:30 p. m., with the Rev. Charles D. Stewart, pastor of the Canal Point Baptist Church, reading the vows for the single ring ceremony in the presence of a large group of relatives and friends.

The bride's only attendant was her sister, Mrs. Venera McCarty of Belle Glade, who served as matron of honor.

Kenneth Lockmiller of South Bay was his brother's best man.

At the reception in the Weeks home which followed the ceremony Mrs. Yvonne Guerry of Belle Glade sister of the bride, presided at the punchbowl while Mrs. Robert Barnes, her aunt, served portions of the wedding cake. Mrs. Leland Keene was in charge of the guest book. Arrangements of hibiscus blossoms and fern were used to decorate the home for the event.

Out-of-town guests included Mr. and Mrs. Jacob Weeks and son, Okeechobee; Mr. and Mrs. J. W. Lockmiller, Zolfo Springs; Mrs. Robert Turner, Arcadia; Mr. and Mrs. Riley Barnes, Mr. and Mrs. Robert Barnes and Bill Bell, Lake Worth; Mr. and Mrs. A. B. Barnes, Mr. and Mrs. Kenneth Lockmiller and daughter, and Mr. and Mrs. Burton Martin and son, South Bay; Mr. and Mrs. Joe Guerry, Mr. and Mrs. Walter McCarty and children and Mr. and Mrs. James Wilson, Belle Glade; Mr. and Mrs. Murray Weeks, Lake Harbor.

Mrs. Lockmiller has been employed as communication dispatcher for the Pahokee Police Department at the Florida Highway Patrol office in Pahokee for the past eight years. Mr. Lockmiller is a millwright in the employ of the U. S. Plywood Corp., Kosmos, Washington.

They plan to visit relatives and friends in Florida for two weeks before leaving for their home at Winlock, Wash.

## Citrus Industry Needs Stabilizer

SANFORD—There are signals flying that the citrus business is in need of stabilization, says John M. Fox, president of Minute Maid, Inc.

Speaking at a meeting of the Sanford Rotary Club, Fox called for a selling job of a "magnitude never before seen" in Florida's citrus industry.

Because of this required selling job, Minute Maid will undertake a massive advertising program which will convince the public of the need for citrus, Fox said. He hailed the newly-formed Florida Orange Marketers Corp. as one in which the industry can get a dependable product. Florida Orange Marketers Corp. is a new cooperative formed to supply Minute Maid with oranges and other citrus fruits.

## ACL Provides Flu Vaccine For Workers

JACKSONVILLE—The Atlantic Coast Line Railroad will provide preventive vaccine for Asiatic flu available without cost to all its employees in a move to avert the possibility of a serious threat to the maintenance of its rail freight and passenger service.

Dr. J. C. Buntin, chief surgeon for the company, said ACL's new president has issued the orders for the vaccination program. The vaccine will probably be available the latter part of this month.

The ACL will offer the vaccine on a volunteer basis at the two company hospitals at Rocky Mount, N. C., and Waycross, Ga., as well as at the medical clinic in Wilmington, N. C., and in other locations by the company's local medical representatives.

Mackey Airlines has begun daily scheduled flights between Ft. Lauderdale and Havana, Cuba. Four-engine planes make the trip in 80 minutes. The airline expects to double passenger volume within the next few months.

## Spanish Trade Directory Is Plan

TALLAHASSEE—The Florida Development Commission has announced plans to compile a bi-lingual foreign trade directory to help promote Florida trade with Latin America.

The commission will mail questionnaires to 8,000 manufacturers and business men to aid in the publication of a directory which will be printed in English and Spanish. The directory will give Florida businessmen a chance to publicize their products throughout Latin America.

Mrs. Gordon Hillier entertained recently with a party for her son, David, on his seventh birthday anniversary. The hostess was assisted with the serving of refreshments to 20 guests by Mrs. C. S. Davis and Miss Gaye Schoepel.

The Florida Citrus Commission has decided to abandon its annual participation in the Florida Citrus Queen contest. The commission feels the program is too costly and should be dropped.

## Gov. Collins Takes Another Trip

TALLAHASSEE—Gov. LeRoy Collins will soon be off on another of his famous Northern trips, in the hopes of wooing more industry to Florida.

This one will be a one-day trip to New York where the Governor will speak at a meeting of the New York Sales Executive Club, and at the Overseas Press Club on Oct. 8.

Bert Burris, advertising director of the Florida Development Commission, says guests at the Sales Executive Club meeting will include some top prospect the Governor hopes to interest in establishing industry in Florida.

Collins' press club address will open an exhibit of Florida photographers going on display in the Overseas Press Club building.

Winn-Dixie Stores, Inc. has announced plans to build 10 more food supermarkets in the Florida West Coast area and 10 more in the Miami area, bringing the chain's total of Florida outlets to 211.

## Pick your savings target and shoot straight for it!

**A** home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do *more* than save through Payroll Savings. You *invest* your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you *before* you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. *That means a return of up to 80% more than you originally paid.*

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

## It Is Unlawful For Any Person Or Persons To Engage In Business Under A Fictitious Name Unless The Name Is Registered

The fictitious name statute was recently changed by the 1951 Legislature and the News has the necessary forms for proper registration and advertising.

The charge for advertising the notice the necessary four times is \$15.

As amended by the 1951 session, the law reads as follows:

"It shall be unlawful for any person or persons, as defined herein, to engage in business as herein defined, under a fictitious name as herein defined, without and unless said fictitious name shall be registered with the clerk of the circuit court of the county where the principal place of business is, which registration shall consist of filing with the clerk aforesaid an affidavit signed by all interested persons, stating under oath the names of all those interested in the business enterprise, the extent of the interest of each, and the fictitious name under which said business is carried on. Said registration may not be made until the person or persons desiring to engage in business under a fictitious name shall have advertised his or their intention to register said fictitious name at least once a week for four (4) consecutive weeks in some newspaper as defined by law in the county where said registration is to be made, and said registration shall not be accepted by the clerk of the circuit court except upon receiving proof of such publication."

a castle in the air costs nothing  
—but you can't live in it!

Make your dream house come true! It's easy  
—through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a home or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money added out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,217.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

*If you want your interest as current income, ask your bank about Series H Bonds, which pay dividends annually by Treasury check.*

### Christian Science Group Of Canal Point

The ever-present power of the Christ. Truth, to heal sickness and to destroy discord will be brought out at Christian Science services Sunday.

Scriptural selections in the Lesson-Sermon on "Unreality" will include the following from Luke (13:11-13): "And, behold, there was a woman which had a spirit of infirmity eighteen years, and was bowed together, and could in no wise lift up herself. And when Jesus saw her, he called her to him, and said unto her, Woman, thou art loosed from thine infirmity. And he laid his hands on her: and immediately she was made straight, and glorified God."

Correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (142:31): "Truth is God's remedy for error of every kind, and Truth destroys only what is untrue. Hence fact that, to-day, as yesterday, Christ casts out evils and heals the sick."

### Sorority Plan Year's Projects

The Xi Alpha Mu exemplar chapter of the Beta Sigma Phi Sorority at a meeting at the home of Mrs. Gorden Hillier voted as projects for the year the continuance of audimeter tests of the hearing of local children and the donation of subscriptions to worthwhile magazines to the Pahokee City Library.

A report on the Beta Sigma Phi convention held in Miami the past summer was given by Mrs. Clyde Alley. Mrs. Melvin Spooner was welcomed back to the chapter as an active member after a year's absence and Mrs. Marshall Lair was given a year's leave of absence.

Mrs. Lewis Friend, president, announced the appointment of standing committees for the year. Mrs. R. R. Long distributed to members attending yearbooks which she had made, with the assistance of Mrs. E. J. Graham.

Mrs. D. W. Cunningham introduced Mrs. John A. Dulany who spoke on "Windows of the Soul." She also introduced Mrs. Kyle Scott who gave a talk on the senses of touch, taste and smell.

Former Vice President Henry A. Wallace will address the annual convention of the Florida Flower Association in Jacksonville. The meeting is scheduled for Oct. 2-5.

### Clearwater Wins Softball Crown

CLEARWATER — At the close of a thrilling 18-inning world championship softball game, 7,000 fans stood and prayed when one of the all-time heroes of the game received the tournament's most valuable player award.

The Clearwater Bombers won their second consecutive world softball title defeating Aurora, Ill., 1-0 in the 18-inning contest. Then minutes after the game was over, the winning pitcher, Herbert Dudley, strode out onto the field to receive the award for being named the top player of the tournament.

Dudley asked the crowd to stand and pray with him. He asked the blessings on the players in the tournament and gave thanks for being permitted to pitch as strongly as he did. The crowd was silent for seconds, then burst into wild

applause.

The tournament, sponsored by the Junior Chamber of Commerce of Clearwater, ran for several days and featured many thrilling softball games that attracted worldwide attention.

*Uncle Sam made the bonds you own  
an even better bargain!*

# Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

**If you want to be paid  
your interest as current income—  
invest in 3% Series H**

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

experienced team before going down to a 19-12 defeat in the opener with Bartow, but that was before the team was disrupted by the flu.

Coach Larry Shay's Eagles after a surprise 18-0 victory over Edgewater, of Orlando in the opener were, in turn, flabbergasted when the Stuart Tigers gave them a 20-7 whipping last week. They will definitely be trying to follow the comeback trail when they tangle with the Blue Devils tonight, with Quarterback Jim McCorkle and Fullback Marty Egan expected to be the big guns in the visitors' offense.

A spectacular halftime show is being planned by the bands of the two schools.

## Luncheon Plans For Garden Club

A luncheon meeting of the Pahokee Garden Club will be held at the home of Mrs. Norman A. Kennedy, on Oct. 15 when Mrs. Claude L. Shirley will present a program on "Landscape design." Mrs. Shirley took a short course on this subject during the summer.

Luncheon hostesses will be Mrs. John T. Pickett, Mrs. Robert C. Hutton, Mrs. G. F. Kincaid, Mrs. Duncan Padgett, Mrs. Howard Holman, Mrs. C. M. Todd and Mrs. Kennedy.

Mr. and Mrs. Lovett McCord of Miami were the week-end guests of Mr. and Mrs. A. R. Chastain.

## Girl Scout Work Planned For Year

A meeting of the Girl Scout Neighborhood Association was held at the home of the chairman, Mrs. Ralph O. Johnson, in Pahokee Tuesday morning to discuss the program of Scouting activities for the coming season.

It was announced that Mrs. Jess M. Elliott, junior gardens chairman for the Pahokee Garden Club, will work with the intermediate group of Girl Scouts in the planning of a program of Junior Garden Club work. Starting in November, Mrs. Donna Plumer will teach folk dancing to the intermediate group, and in January a home economist from the Florida Power and Light Company will conduct a special course in cooking for the sixth grade group of Scouts.

In response to a request by the Pahokee Parent-Teacher Association, permission was given for Girl Scouts to serve as ushers and flag bearers at each PTA meeting during the current school year, this honor to be rotated among the troops from month to month.

Mrs. Doris Lane and Mrs. Doris Spooner were welcomed as co-leaders of the third-grade Brownie Troop. They have enrolled in the Girl Scout training course being conducted at the Belle Glade Scout Hut on Monday nights.

Calendars of Girl Scout activities for the coming season were given to leaders attending the meeting for distribution to the Scouts.

Colored slides were shown of scenes at the Glades Girl Scout Day Camp held in Belle Glade last June.

L. A. Watson, head of the industrial services division of the Florida Development Commission, says that Florida's panhandle will become the outstanding industrial area of the state in the future.
